What risks are insured?

This insurance covers the reasonable and customary, medically necessary expenses for medical care or surgery that is required as part of the emergency treatment arising from a medical condition that occurs while you are travelling outside of your province of residence; and protects you against situations or losses that result from sudden and unexpected conditions or events. We reserve the right, in our sole discretion, to reject applications for coverage.

These insurance benefits do not cover conditions or events that, on the date of purchase, are either known to you or are likely to occur.

The Emergency Medical and Dental insurance covers only the medically necessary expenses you incur once you have left your province of residence. In addition, the Emergency Medical and Dental insurance covers only the expenses in excess of those covered under your government health insurance plan and by any other insurance or benefit plan under which you are covered.

What must you do in a medical emergency?

You or someone on your behalf must contact Allianz Global Assistance before seeking emergency treatment. Failure to call Allianz Global Assistance may result in a reduction to the amount reimbursed, or no reimbursement, for the expenses you have incurred. In addition, the medical advisors of Allianz Global Assistance must approve all medical procedures (including cardiac procedures and cardiac catheterisation) in advance.

When you contact Allianz Global Assistance, they will refer you or may transfer your call, when medically appropriate, to an accredited medical service provider within a network.

Allianz Global Assistance may also make a request for the medical service provider to bill the medical expenses covered under this insurance directly to us instead of to you. We will guarantee payments up to the amounts provided under this Policy of Insurance, if needed, to secure your medically necessary admission to a hospital.

- your return is delayed by unforeseeable circumstances beyond your control, including the hospitalization as an inpatient or medical condition of you, (your spouse or your children if they are travelling with you) or your travelling companion.

If coverage is extended for these reasons, coverage will end on the earliest of either:

- 5 days after your scheduled return date; however, if you are hospitalized as an inpatient, if medically necessary, we will extend insurance for 72 hours from the time you are discharged but under no circumstances for more than 3 months from your scheduled return date.

2. Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act (for actions or proceedings governed by the laws of Alberta and British Columbia), The Insurance Act (for actions or proceedings governed by the laws of Manitoba), the Limitations Act, 2002 (for actions or proceedings governed by the laws of Ontario), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the Quebec Civil Code.
